The background image is a night-time satellite view of Earth from space. It shows the curvature of the planet against a dark background, with numerous glowing city lights visible in the lower half. The lights are concentrated in major urban areas, creating bright streaks and clusters of yellow and white points.

SAP Experience Center Netherlands

And to really nurture a culture of innovation creativity
and to inspire all of our customers and our partners as well.

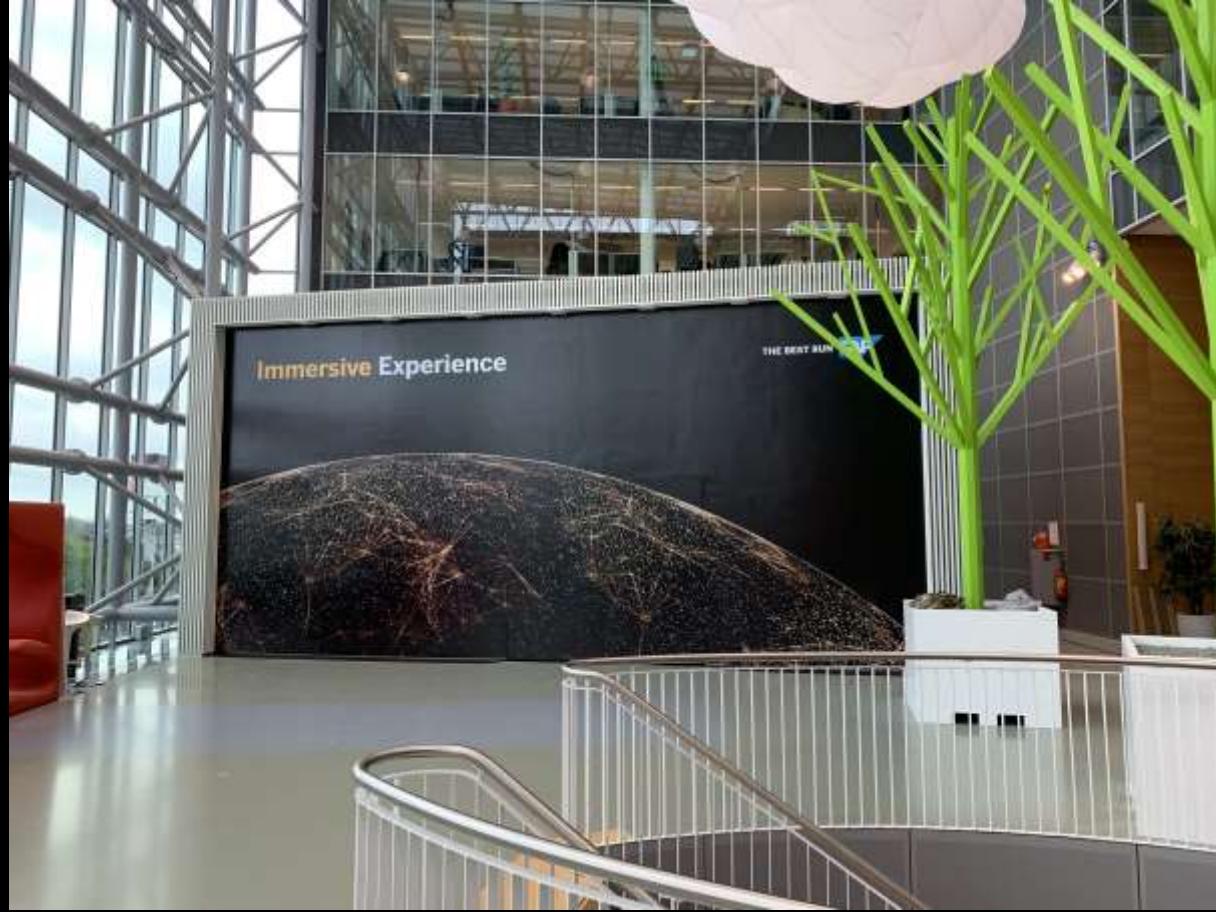

A medium shot of a man with dark hair and glasses, wearing a grey blazer over a light blue shirt. He is standing in an office environment, with a window showing a cityscape in the background. He is gesturing with his hands while speaking.

In the demo area we give our visitors a glimpse of what
is possible with data, algorithms and new technology.

“On behalf of the entire SAP
Experience Team we warmly
welcome you to make use of
this center”.
